

## How Do I Become a Referee ?

It is easy to get started. The first thing you need to do is go to [www.wasrc.org](http://www.wasrc.org) the state referee committee web site. From the menu on the left side, select Instruction, then Clinics. This page lists all upcoming referee clinics around the state.

Look for an “Entry Level Clinic” near you. When you find a convenient clinic, click on its number to link to a full page description – who to contact, when and where the sessions take place, and what you will need to bring.

Then register and show up – the rest is up to you !
